

Parking Permits

I am requesting a Parking Permit for the 2020-21 School year. The use of Parking Permits is for the safety and security of our students. The parking permits will enable us to more easily identify student, faculty cars. If a student does not have a car tag displayed on the car, the student would be subject to forfeiture of parking/driving privileges. Repeat offenders will have cars towed.

Name _____ Grade Level _____

Car Model _____
